Dear Parents,

We hope that you are having a wonderful start to the summer break. Reading is such a crucial part of a successful education~ it affects all subjects. Calvary students are required to read one book from their teacher's summer list and complete the book report form found on our school website. A book report is required to be filled out for each book. The book report(s) will be due on Friday, August 25th. A second book report can be written for an extra grade. This will be a great start in enhancing their reading grades. We are encouraging students to join the St. Tammany Parish Public Library Summer Reading Program and activities for chances to win prizes. Students are to choose books from the grade level list, which they will be entering for the 2024-2025 school year.
Thank you for supporting us as we work to ensure your child's educational success!
